

# 4 Speaking task

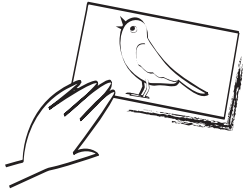

Cut out the cards. Play dominoes.

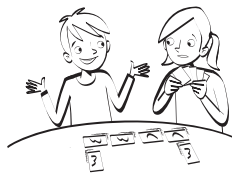

1 Play in pairs. Each person has six cards.

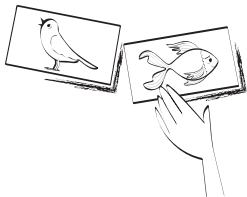

4 Take turns to put down a card. If you can't put down a card, say *Pass*.

2 The first player puts down a card.

5 The winner is the player to put all their cards down first.

3 The second player puts down a card next to the first and compares the animals.

The canary has got two legs but the fish hasn't got any legs.
